

Back Bar Cooler with Sliding Glass Door

SKU: 18000-245 70000-011

The back bar cooler is an excellent solution for bars and open lounges with limited space.

Designed with a compact height, it fits seamlessly under bar service counters while offering impressive storage capacity. Perfect for quick-service beverages or cocktail ingredients, it features adjustable shelves per door, allowing you to accommodate bottles of varying heights.

The sleek exterior is crafted from black pre-coated steel, while the embossed aluminum interior ensures durability and easy maintenance. LED interior lighting enhances visibility and highlights the chilled merchandise, creating an appealing display. Using eco-friendly R600a refrigerant, this cooler delivers efficient cooling with low power consumption, making it both practical and environmentally responsible.
