

26" White Refrigerated Floor Display Case

SKU: 51000-038

Showcase food items attractively and boost impulse sales with our 26" Refrigerated Floor Display.

This glass display offers a full view of your refrigerated products, making them more appealing to customers. With its large capacity, this unit is ideal for busy stores, allowing you to display a wide variety of items simultaneously. It uses eco-friendly R290 refrigerant, and the digital temperature controller provides precise control within a range of 0°C - 12°C (32°F - 53.6°F). The 12W LED lamp enhances product visibility, ensuring your items are brilliantly illuminated for maximum appeal.

FEATURES:

- Bright LED lighting for enhanced product visibility
- Digital temperature controller with easy-to-read display
- Adjustable shelves with durable PVC coating
- Front flat glass door for clear viewing
- Double-pane glass for added insulation
- Smooth-rolling casters with two brakes for stability
- Efficient, ventilated cooling system
- Automatic defrost function for easy maintenance
- Spacious 500L (17.65 cu.ft.) capacity
