

30" CHEST FREEZER WITH SOLID FLAT TOP - 4.9 CU.FT

Looking for a spacious unit to keep your frozen products in proper food storage temperature? Look no further than this 30-inch chest freezer with solid flat top and 4.9 cu ft capacity. This freezer is designed to merchandise and provide increased sales of frozen novelties and seasonal specialties. Its hinged lid design enables it to stay open while consumers are loading/taking out items without having to hold it up for hours. The interior walls are made of aluminum, which makes cleaning a breeze, while the door is foam-filled for efficient temperature preservation. This freezer is perfect for convenience stores, ice cream shops, supermarkets and restaurants who want to maximize their storage and merchandising space for frozen products.
