Boost your kitchen's productivity and efficiency with our Refrigerated Chef Base!

This versatile unit offers a convenient solution for storing cold ingredients exactly where you need them. Designed to enhance space and workflow, it provides a sturdy surface for countertop cooking equipment while keeping your chilled ingredients within easy reach.

FEATURES:

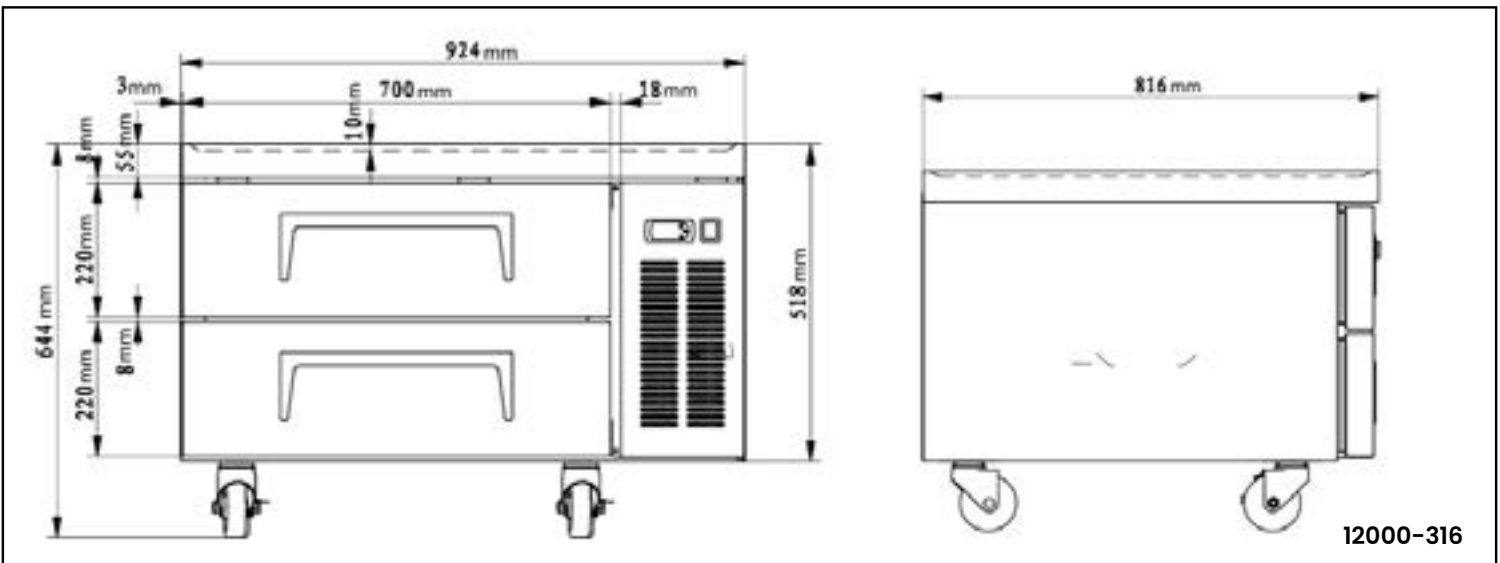

- Made with a 304-stainless steel interior and exterior, with a matching aluminum-finished back
- Interior features rounded corners for easy cleaning
- Heavy-duty reinforced stainless steel top with a drip-resistant "V" edge to prevent spills
- Maintains temperature between 0.5°C to 5°C (33°F and 41°F) for optimal food preservation
- Electronic control system with adjustable temperature settings and defrost frequency
- Drawers include heavy-duty pull handles, tracks, and rollers for smooth and reliable operation
- Equipped with standard heavy-duty casters for easy movement
- Accessible condenser coil for simplified maintenance
